

RECESSED

Paper towel dispenser + waste bin

DTE0050CS
Satin finish

General description

- Multi-purpose cabinet with paper towel dispenser and removable waste bin, to recess into the wall, made of stainless steel AISI 304, 0.8 mm thick.
- Suitable for public toilets of high frequency. This model has been specially designed to save space and to have several integrated solutions at the same time.
- With a modern design and manufactured with resistant materials this multi-purpose unit becomes the best solution for sites seeking to innovate.

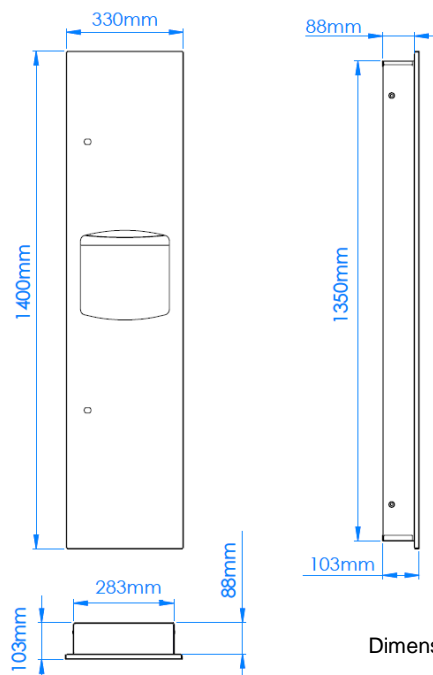

Components and materials

- **BODY:** made of AISI 304 stainless steel, 0.8 mm thick, satin finish in all its visible parts.
- **DOOR:** double panel, warp resistant with full-length piano hinge and tumbler lock keyed and made of stainless Steel, 1.2 mm thick.
- **PAPER TOWEL DISPENSER:** made of AISI 304 stainless Steel. It can hold between 600 and 800 paper towels C or Z. The towel tray opening has bound edges to minimize tearing of paper towels. It also has a front closure with special key supplied.
